

Alma de Tobia 2002
Rated: 89 Points

The 2002 Alma de Tobia has a dense ruby/purple color that is followed by a big, sweet nose of scorched earth, road tar, dried herbs, black cherries, and currants. Silky-textured and lush, with well-integrated toasty oak, it should be drunk over the next 2-3 years.

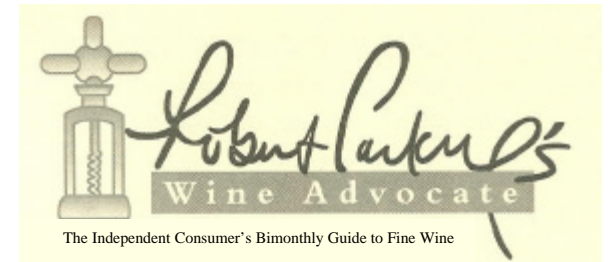

(Issue 159 06-30-05)
