

WINE ENTHUSIAST

MAGAZINE

Blanco Nieva *Pie Franco* Verdejo 2006

Rating: 90 Points

Old-vines Verdejo from Rueda can amount to something special, and this vineyard-select beauty had it going on. The bouquet is clean, with touches of saline, mineral, and lime. The palate is mostly about freshness, but soon power and depth of fruit take over. And the finish is a whopper in terms of length and purity.
