**Heras Cordon Reserva
Vendimia Seleccionada 2001
Rating: 91 Points**

For an old-school highlight, look for this lesser known selection-based Reserva, because good grapes from a good year should add up to good wine. And in this case the wine is better than good; it's ripe, spicy, chocolaty, and pushes all the right buttons. A sure thing with the right foods: meats; stews etc.
