

**Menguante Tempranillo 2008**  
**Rated: 90 Points**

The 2008 Menguante Tempranillo comes from younger vines and spent 5 months in new French and American oak. Purple in color with a slightly reticent nose of cedar, underbrush, mineral, and blackberry, on the palate it is succulent bordering on opulent. Layered, ripe, and full-flavored, this lengthy offering over-delivers in a big way.
