

Pardevalles Carroleon 2005

92 Points

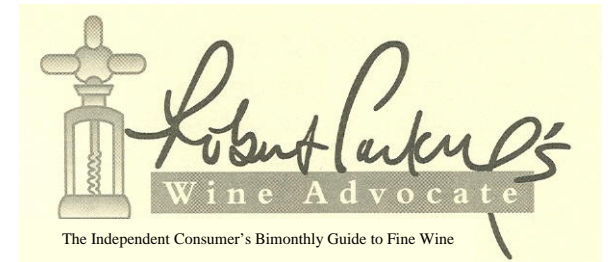

Pardevalles Carroleon 2005 is 100% Prieto Picudo and was aged for 15 months in new French and American oak before being bottled unfiltered and unfiltered. Deep crimson-colored, it has an attractive forward nose of pain grille, mineral, spice box, black cherry, black raspberry, and a hint of chocolate. On the palate the wine offers forward layers of sweet fruit already beginning to show some complexity, an elegant personality, and enough hidden tannin to suggest that this wine could evolve for several more years. Drink it through 2020.
