

WINE ENTHUSIAST

MAGAZINE

Pedro Romero *Aurora* Manzanilla Sherry

Rating: 89 Points – Best Buy

Add *Aurora* to your list of dry Sherries that won't steer you wrong. It is a concentrated, slightly more powerful style of Manzanilla with pear, pepper, and rosemary aromas as well as a true, refined palate. Flavors of fresh mushroom and nuts are dry and just fruity enough. Like a kiss from the sea.
